CHEERLEADERS

The 1973-74 Cheerleading Squads consisted of a Frosh-Soph and Varsity, both of which had eight members. In the future North will have a freshman squad of six girls, a sophomore squad of eight, and a varsity squad of eight. Being a cheerleader involves planning and performing at pep assemblies, cheering at football and basketball games (and some wrestling meets), painting signs and making hoops, and many other things that make a year more fun.

JUST YOU AND ME

"You are my love and my life

You are my inspiration

Just you and me, sinple and free

Baby you're everything I've ever dreamed of.

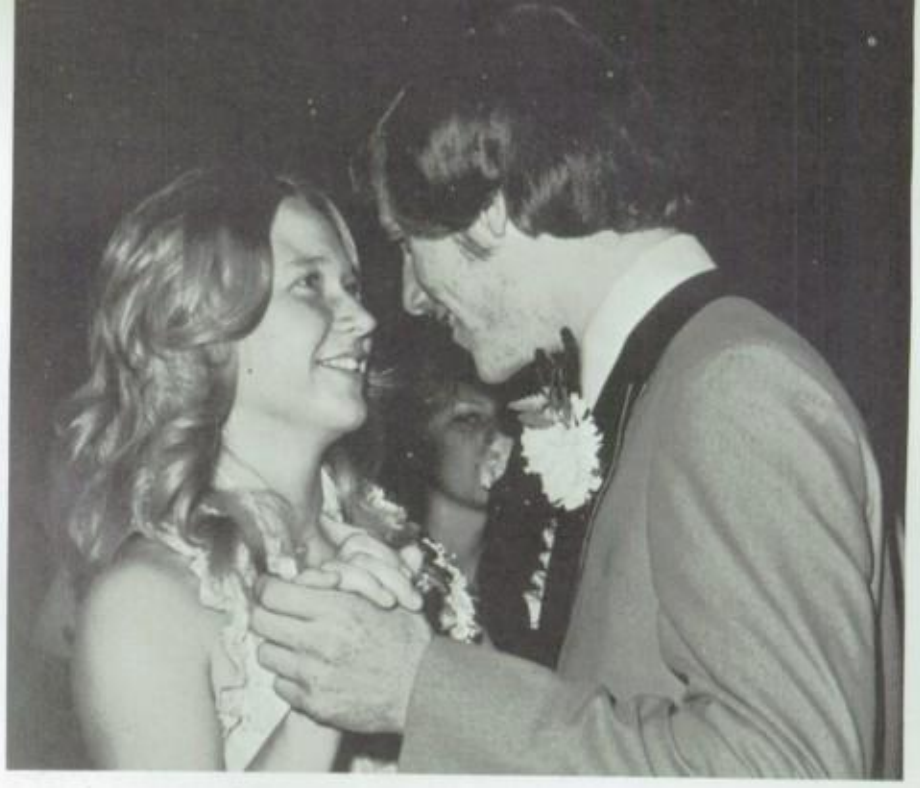
Give me your own special smile

Promise you'll never leave me

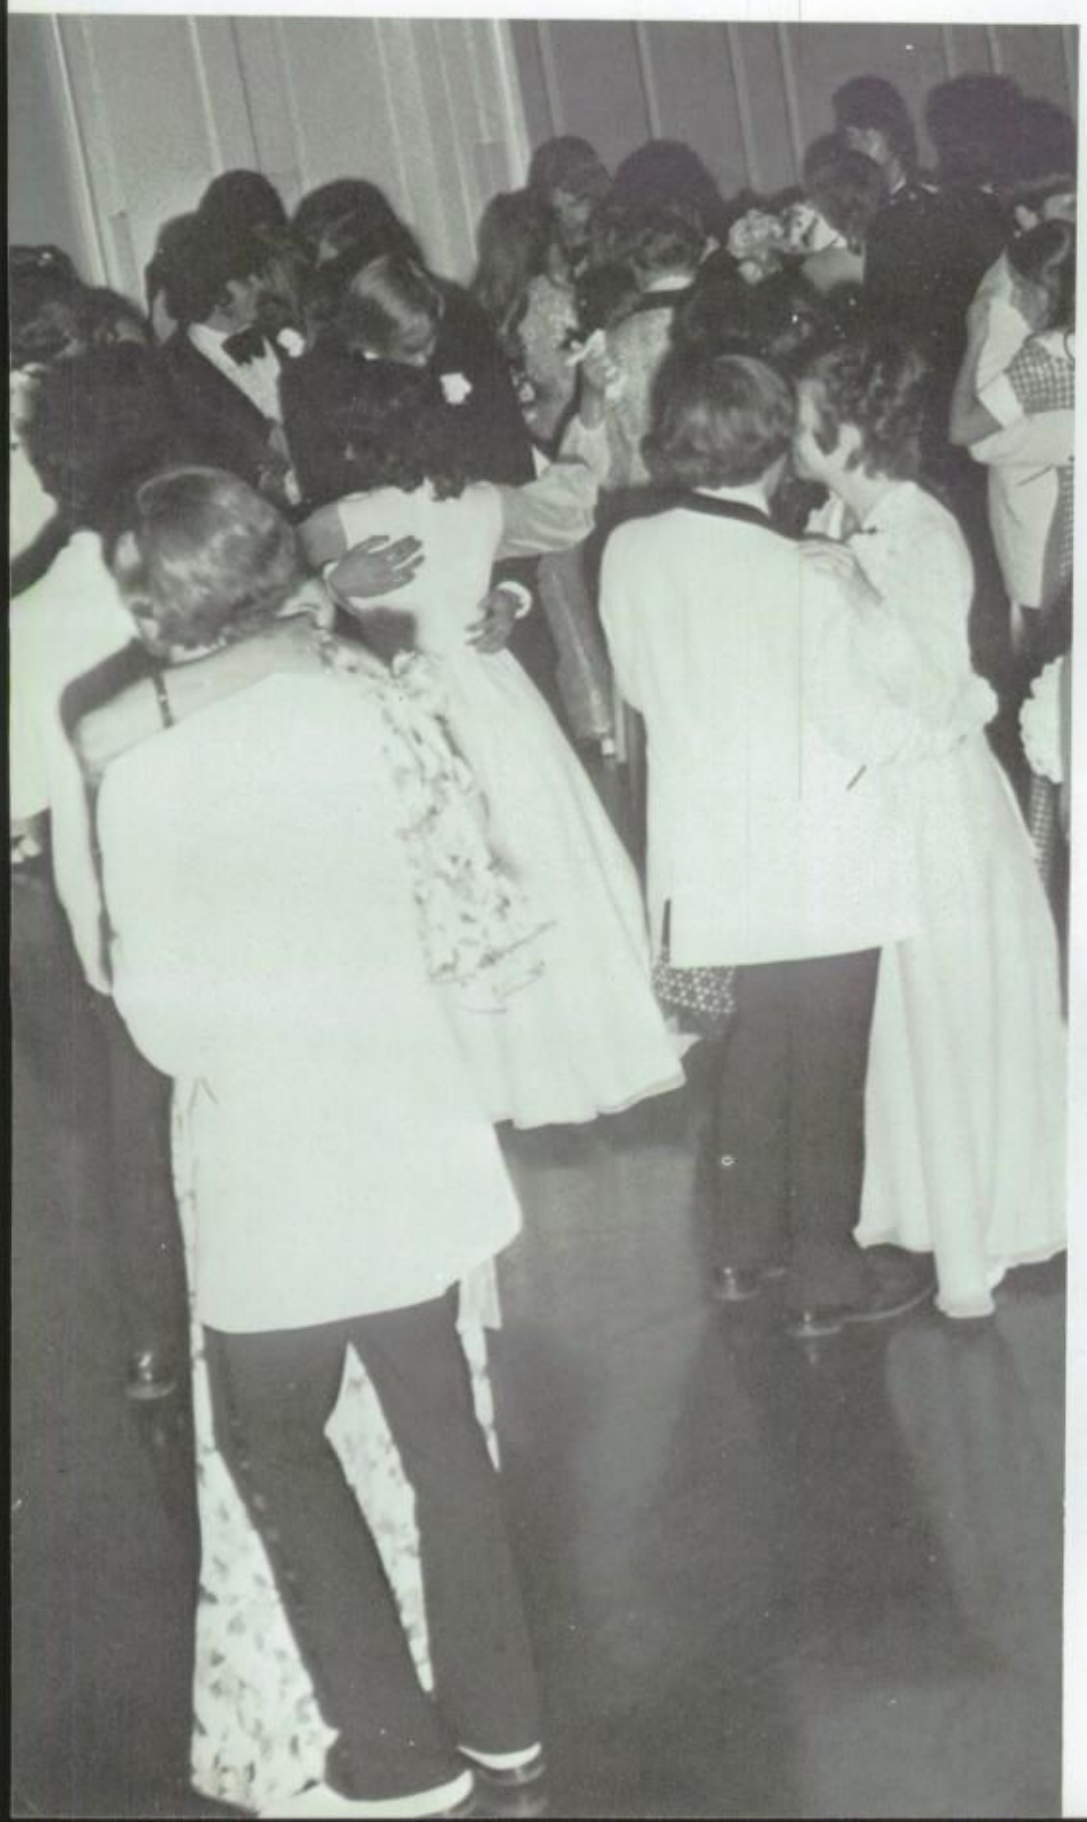
Just you and me, simple and free

Life is so easy when you're beside me."

from "Just You and Me"



Janet Braem and her date dance the night away.



Dave Kendle is the life of the party.

Root helps you to remember . . .

ROOT photographers - 1131 W. Sheridan - Chicago

"Nothing in life really stays.
And it's beautiful that they go.
They have to go in order for
the next thing to come.
You can almost add beauty
to a thing by accepting
that it's temporary."
